

CATFISH

Plenty of catfish were caught this past Saturday evening during Full Moon fishing. Most reported caught on chunked mackerel in many locations around the lake. The T-Dock and campground shoreline were very productive.

BASS & PANFISH

There are some huge redear sunfish getting pulled out in Cloister Clove on wax worms.

The hot spots for bass this past weekend was Half Moon Cove on drop shot purple plastics and in Cloister Cove too.

Come catch a few this weekend?

TROUT?

We have been gathering the temperature of the lake three days a week for the past few weeks to track the cooling patterns. We are on track to start trout season the weekend of November 17th. Book your campsite today and don't miss out on being the first on the lake for the season! Stay tuned for final date announcement of opener!

CATCHES OF THE WEEK

@grady_gralewski caught this beautiful bass on the shoreline sight fishing this past weekend.

This week, Department of Fish and Wildlife came to the lake to do their normal fish surveys. They electrofished the lake and saw lots of recruiting of baby fish in many species. Here are some of the monster bass they saw!

ANNOUNCEMENTS

The lake may be closed to fishing and boating from Oct 30–Nov 16.
